
Plan Bid for Police Use of Hale School Building

Commissioner O'Connor said yesterday that the police department is interested in renting the old two story Hale school, 6120 S. Linder av., for use as a police academy. He said a proposal will be made to the school board after Joseph F. Peacock, city real estate agent, determines how much rent the city should offer.

The building includes 25 classrooms, gymnasium, auditorium, and cafeteria. Pupils who attended Hale school recently were transferred to two new schools.
