Carter Harrison Award presented to Chernik of 011; honors for 9

Sergeant Robert Chernik, 11th District, was recently presented the Carter Harrison Award by Harold Washington, assisted by Superintendent Fred Rice, at a special ceremony held in the city council chambers.

There were also five Special Honorable Mentions, including one posthumous award, and four Honorable Mention Awards presented to Department officers.

The Carter Harrison Award is presented alternately with the Lambert Tree Award between police officers and fire fighters who have performed exceptional acts of heroism during the previous 12 months. They are Chicago's highest commendations for bravery and have been presented annually since 1886.

As recipient of the Lambert Tree Award, Fire Fighter James O'Donnell led the award winners from the Chicago Fire Department.

Chernik, at the time assigned to the 13th District as a patrol specialist, and his partner went to a housing complex in response to a complaint by a resident that an offender had threatened him and then fired a shot at him.

When the two officers arrived at the offender's apartment, the gunman opened the door and upon seeing Chernik, opened fire three times, striking the officer in the left shoulder. Chernik returned fire, fatally wounding the offender.

The bullet that struck Chernik ricocheted off his safety vest near his heart and lodged under the collarbone.

The Special Honorable Mentions were awarded to the following:

- Sergeant Oleon Hennings, 2nd District, confronted a wanted offender who had killed four people, including his wife and two teenage children. The offender refused commands to drop his weapon and surrender. A gun battle

ensued resulting in a gunshot wound to Henning's foot and the fatal wounding of the offender.

Gang Crimes South Specialist Mitchell McCullough, then an officer in the 5th District, suffered a gunshot wound to the leg and a separated shoulder during a struggle with an offender about to commit an armed robbery. A second gun and a nylon mask was found on the offender, who was eventually subdued, and his accomplice was arrested.

Officer John Carey, 5th District, entered the home of an armed offender in response to a call for assistance from a fellow police officer. Although the officer was seriously wounded in the leg by the offender, Carey, along with another officer, returned fire and fatally wounded the gunman.

Officer Robert Maloney, Traffic Enforcement Section, was issuing a citation to a traffic violator when another vehicle pulled up alongside. Without warning, this offender fired several shots. Maloney suffered three wounds to the chest, two to the abdomen, and one to both the back and arm. The offender fled but was apprehended a short time later.

A posthumous Special Honorable Mention was presented to Officer Wayne Klacza, Public Housing North, and accepted by his widow Barbara Klacza and children.

Klacza was walking to his assigned office dur­ ing a struggle with an offender who had just robbed a fellow police officer. Although the offender fled but was apprehended a short time later.

Illinois Olympics rated 'best ever'

At the conclusion of last year's Illinois Police Olympics, Training Division Director Edward Buckney said: "Plans are already in the works for the 1985 Olympics. Our staff has many ideas to make the next one the best ever!"

This was not idle talk. The 1985 edition of the Illinois Police Olympics proved to be the very best of its four-year history. This year, a new competition was added, more participants took part, awards were upgraded, and the level of enthusiasm was even more intensified than in years past.

The Olympics, in which 1,509 competitors from across the state participated, was coordinated by members of the Training Division, under the command of Deputy Superintendent Dennis Nowick and Director Buckney. They were assisted by Sergeant Burton Kann, Youth Officer William Nelligan, Officers Robert Bartuch and Ron Frost, and other members of the Training Division staff.

Last year, civilians were invited to compete in the running events only. This year, friends and relatives of officers and civilian personnel were offered the opportunity to compete in 10 events, including the three runs. A total of 47 non-sworn personnel competed this year.

Awards were presented in two categories. Law enforcement officers placing first, second or third in individual or team events were awarded the Illinois Police Olympic Medal, an impressive medal, newly designed for this year's Illinois Olympics. Civilians placing in the top three positions were presented Illinois Police Olympic Medallions.

Every competitor received a 1985 Illinois Olympics golf style shirt, as opposed to the T-shirts presented in past Olympics, and a "Certificate of Participation."

Participants came from 93 municipal, county and federal law enforcement agencies, the highest total ever to participate in the Illinois Olympics. Each participant supplied his or her own personal equipment and was required to pay an entry fee. "Once again we're proud to announce that all money necessary to run the event was generated by entry fees and limited corporate sponsorships," said Buckney. "Our state's Police Olympics did not cost the city or Department one penny."

Cash contributions for the Olympics were made by the following organizations and companies: James Zagel and the Department of Law Enforcement; John Dineen and the Fraternal Order of Police; Les Trilla of LT Imports; and Michael Benner of Constable Gun Company.

"Thanks must also go to Dick Lis, president of the Illinois Lodge, Fraternal Order of Police, and its members for their support," said Kann. "They published an article about the Olympics in their publication which included a tearoff application form. Their efforts resulted in 166 entries."

While the members of the Training Division are proud of this year's Olympics, they are not content to rest on their laurels. "Every year we learn a little more about the organizing and running of the event," said Sergeant Kann. "Each year we encounter minor problems which we seek to correct to make the following year's event that much better."

"For example, we researched, developed and introduced a new event this year—the European Combat Shoot. It was well-attended and is expected to grow in popularity in future years."

"On the other hand, table tennis had limited attendance for the fourth straight year and we are reviewing the competition to see if it warrants being maintained next year."

Training Division personnel continually review and seek improvements for every Olympic event. "Every year we learn a little more about the organizing and running of the event," said Sergeant Kann. Police Officer of the Month

The Police Officer of the Month Award has been conferred upon Youth Officer Ruth Joyner, Area 1 Youth Division; Officers Devon Anderson and Henry Stanton, 9th District; and Officers Lawrence Wolfer and Linda Kennedy, 10th District; for outstanding police work in three separate incidents.

After completing her tour of duty, Joyner drove home and parked across the street. When she began walking to her home, she observed a man with a ski mask over his head and his hand in his pocket. The subject came within 10 feet of the officer, said something which Joyner did not understand, and produced a handgun.

When Joyner identified herself as a police officer, the offender fired four shots before his weapon misfired. The offender fled after being wounded once in the chest by the officer's return fire. Joyner ran to her home, called for assistance, and responding officers located and arrested the offender. The gunman later died at a hospital as a result of his wound.

Aware of a crime pattern involving armed robberies and criminal sexual assaults, Anderson and Stanton set up a surveillance of the area. The officers observed a man, fitting the description of the offender, follow a woman who had just exited a bus. When the woman was met by another person, the man returned to the bus stop. The man continued this pattern several times.

The officers arrested the offender pending further investigation. A protective search revealed an eight-inch knife. The offender was later identified in a line-up and charged with three counts of armed robbery and two counts of criminal sexual assault.

Wolfer and Kennedy responded to a call of "a baby hanging from a window." Kennedy remained on ground level to call and talk to the child while Wolfer ran up the stairs. Wolfer found the apartment door blocked by heavy burglar bars but solved this problem by ripping the bars down with his bare hands. The officer then kicked in the door, ran to the window ledge, and rescued the child.
Dear Superintendent Fred Rice:

The Coordination Council for North American Affairs thank you for the courtesies extended to General Lo
and the Police Administration of the
Republic of China. I would like to express
dependence appreciation to the hard
working crew of Lieutenant Richard
Wedgebury, Sergeant Richard Green and
Officers Malcolm Woo and Anthony
Scalise. And I trust that through the
exchange visits the existing relationship
between our two countries will be
further strengthened.

Director Liu Po-Lun

On behalf of the Hinz family and
myself, I want to thank Mary Glynn of
the 8th District for her great skills and
good judgement when a young man,
Daniel Hinz, was injured in a train
accident. She also helped paramedics
when they arrived on the scene.

Karen Reynolds

I was the victim of a “smash and
grab” while driving through the 15th
District. I was fortunate that many
people witnessed the incident, stopped
to help and called police. I was even
more fortunate that Officers Frank
Dimalia and Robert Delaney responded.
Witnesses were able to identify the of­
fender and through the officers’ per­
sistence arrested the offender. All of
my belongings were recovered. Officer
Dimalia and the 15th District were
very supportive and helpful in guiding
me through the legal process of charging
the offender.

Kathleen Lawrence

Recently I was stopped by Officer
Thomas Malek of the Traffic Enforce­
ment Section while traveling inbound on the I-90 expressway. I am new to the
Chicago area, having just moved from
Memphis, Tenn. Needless to say that
due to being unfamiliar with the
roads and Chicago traffic I was com­
pletely at fault. Officer Malek was ex­
tremely professional in handling the
matter and clearly pointed out my
traffic violation. His professionalism
spoke well for him as well as the De­
partment that he represents.

Jeff Larkin

I would like to express our sin­
cere thanks for the excellent police
work of Officer Robert McLin of the
3rd District after two youths stole a
wallet from the purse of a foreign visitor
to the Museum of Science and Industry.
Officer McLin had both offenders in
custody within half an hour and the
victim had her wallet, credit cards and
$130 returned. Officer McLin was
assisted by Officers Tracy Simmons,
21st District, Ernest Walker, 002 Dis­
trict, Chester Batey, 3rd District and
Joseph Mosiley, Area 3 Youth.

We want to compliment four of
your officers for their excellent per­
formance and caring attitude toward
the victim involved in a robbery and
assault which was brought into Mercy
Hospital and Medical Center. Officers
Patrick Pokrovke, Charles Burger, Ro­
bert Lizik and Robert Doyle of the 21st
District not only concerned themselves
about the victim, but apprehended the
two offenders. Their diligent police
work and efforts made the victim un­
derstand the caring aspects of the Chicago
Police Department.

Security Director

We want to express our most
sincere gratitude to Officers Steven
Brownstein and Donna Raucci of the
15th District, who assisted us in escap­
ing a fire in our home. Our house was
a total loss and it is highly probable
that if not for your officers’ timely
action we would not be alive today.
Their follow-up calls also have been a
great moral support to us.

Alfredo and Alejandrina Ortiz

I want to thank you for having a
dedicated officer, Detective Lawrence
Tuider of Area 3 Violent Crimes, who
was concerned for the family, friends
and me after the murder of my fiancee.
He spent many hours over the inves­
tigation until the offender was
arrested and confessed to the crime. I
know that there were other police
personnel involved in the case, but I
didn’t get involved with these officers
as much as with Detective Tuider. All
of the officers that I spoke with all
conducted themselves professionally
and were concerned about the case.
This was greatly appreciated by me
during my time of tragedy.

Gary Armas

I wish to acknowledge the help
provided to me by Officers John Herr
and Michael Walsh of the Marine Unit
when my boat broke down at Navy
Pier. They assisted me in securing the
boat in calmer water until I could get it
repaired. Without their help my boat
might have been severely damaged.

We were boating in Lake Michi­
gan approximately nine miles out when
we encountered engine trouble and our
battery went dead. Darkness had fallen,
the lake was choppy and no other boat
traffic in sight. Thirty minutes after we
tried radio contact and shot flares we
saw the flashing blue lights of the Ma­
rine Unit. Officers Thomas Lampa and
Joseph Moseley, Area 3 Youth.

002: We always knew we were No. 1 but now we have the trophy to prove it! Congratulations to our first place softball team members C. Peluch, R. Popinon, C. Dunlap, J. Dunlap, N. Homer, N. Lloyd, P. Dunn, H. Wilson, A. Woods, R. Skahill, G. Strucke (AKA Rusty?), L. Reed, M. McCullough, J. David, C. Jarrell, C. Johnson and Sgt. J. McCloud. This reporter has it on good authority that a couple of officers decided to take the plunge. To Tracy (bride of E. Park) and to Genisse (bride of H. Wilson), welcome to the ranks of police families and remember one thing, police don't go to night court... It's another girl for P.O. R. Howard and his wife Belinda. I understand baby Brandy looks like her mother (Thank God)... T. Marshall took another cruise and this time to the Caribbean Islands. I wonder if he secretly scouting retirement locations? Commandeer Mardren Johnson has started a new program. He wants every district member's birthday placed in the C.O. book as a means of saying "Happy Birthday". Injunkt glad he decided to omit the age... Sgt. R. Patterson has recently started attending the Northwestern Traffic Institute. I can't decide whether to say "congratulations" or "I'm sorry"... Welcome aboard to new 002 District members L. Fletcher, B. Doyal, C. White, H. Umrani, J. Adams, P. Goody, P. Hefferan, F. Tiford, D. Chester, K. Garrity, J. Karl, M. Griffin, W. Tremors, J. Talles, R. Ramos, R. Crutch, P. Rogers, D. Gadzinski, E. Walker, M. Davson, J. Scarnall, A. Rochon, C. Wilson and C. Chambers. (I hope I haven't forgotten any one) For those of you wondering, the answer is, "no, they didn't all come at one time!" It's just that I'm a little bit late in giving this welcome... And good luck to those former 002 officers in new assignments. (There's too many to name and, anyway, they didn't say good-bye)...

THOUGHT FOR THE MONTH: A lie is something we often hear as a means of saying "Happy Birthday". The truth you know is always there, it comes from her, just itching to be in our heart and mind; it passes right behind us. The one who has been unkind, to thwart the ones who've been unkind.

006: Hi, gang! Lots of things to catch up on here. The ones who cared will certainly say, "again, the truth has won!"... This reporter has it on good authority that a couple of officers decided to take the plunge. To Tracy (bride of E. Park) and to Genisse (bride of H. 006: Hi, gang! Lots of things to catch up
on since we last had a column. . . P.O. Tim Cullinan finally married Busia and the reception was great. . . The 6th District Annual Picnic was a great success. We thank all the units who helped us rid ourselves of 20 cases of liceations. P.O. Tom "Fish" Cullen had such a good time he was at a loss for words by the end of the day not many other people could talk either. . . We broke even in baseball against Blue Island North (022) but our best, led by P.O. Don Smith, didn’t play. . . I’ve been telling everybody what a great place this must be because a lot of folks come back for a second time such as: Capt. Sherwood Williams, who seems like he never left; Sgt. G. “Hawk” Hawkone, who never wanted to leave in the first place; and P.O. V. “Bill” Archer, who’s not sure why he’s here again. Then there’s Capt. J. “Capt. Video” Curtin who got double-promoted from Area 3 to District 6. And Lt. A. “Preep”ers” McCormick (we knew we were in trouble when he was in 006 before). . . It’s starting to look like Wabash South with us getting all these guys from the “bash” such as C. Marshall, B. Reskey, G. Sims III, C. Ahern and Poor Ray Simmons. Then there’s F. “Moe” McClendon who calls the desk everyday to make sure he’s still here. Welcome to 006, everybody (no elevator). . . The classic call to Zone 8 is about the squad car going down 79th Street without a driver! Further investigation revealed P.O. Tony Mayo was driving but no one could see him. . . P.O. Mike O’Connor has a new love besides his beautiful wife Peg. Her name is Harley Davidson. . . P.O.’s Charlie Meetsow and Tony Kaufmann must be decorating! Sgt. Tom Martin told me Charlie got a new rug and Tony needs one. . . Sgt. Jim “Chair dancer” Higgins is the only new supervisor who has taken more time as a sergeant than he did as a P.O. . . Sgt. J. Wright doesn’t have every General Order, Special Order, rule and regulation memorized—it just seems that way. . . P.O. M.L. “Debbie” Bonnema has the left the inner office for the inner circle, Tact Six (good luck, Deb) and in turn P.O. Sandy “Sweetness” Day has left the big office to all the supervisors, namely Larry Dowd, John Obrzut, Joseph Lupo and James Reilly. We are now in a super welcome to P.O:s Haras, Hitz and Bunch and one to P.O:s Haras, Hitz and Bunch and one to SGs. . . P.O. Art Compton got new shoes, he’s tall enough. . . P.O. Al “Silver Fox” Anderson gets confused on what his rules are and is dropping because of lack of evidence. . . A very belated welcome to 006 to Lt. John Volland who slumped in here some time ago. He’s comparable to Harold Baines of the White Sox in that he “walks softly but carries a big stick.” . . . “Sgt. of the Month” is Sgt. Herb Redmond. Lt. Tom Kahlaf is “Lt. of the Month.” “Captain of the Month” is Capt. John Ridges. . . And P.O. Andy Christopherson is “P.O. of the Month.” Simply put, all good guys. . . A closing question to ponder: The best things in life are free? ‘til next time, God willing—...
010: We welcome District Commander Clement Robles. It's like returning home again! Robles was a lieutenant here before being promoted to commander of the 12th District. Also returning home is P.O. Rich McPencow, thinner than when he left, Rich said, "Running did it!" We also welcome McPencow, thinner than when he left, Rich Ace Engineer Herb Wallace asked his usual attendance at Northwestern Traffic Institute. Capt. Ronald Kargol, Lt. Frank Sadler, Sgt. John Andrew. After one period, Sgt. Hernandez is quickly gone for nine months to attend Northwestern Traffic Institute. The Annual 10th District Retirement Party was a huge success, honoring retirees Frank Kotan and Chester Krok. Review Officer Tim Griffin kept his record intact by not going straight home after the party for the 10th straight year! The only wild incident that took place at the party was when an unidentified female guest fell off her chair. Review Officer Jake Jacobson said, "It turned out she was a party crasher and not a friend of anyone in attendance!" P.O. Jim Mazewski is now known as Fred Astaire after dancing the 10th District squad room. Maintain the rain held off until the Housekats defeated the 2nd Annual Housekats Softball Game was a rousing success and again we were blessed with perfect weather. Many animals had to be fed for a good cause—gluttony! We at 010... That's about it for this time. P.O. Dennis Fend

011: A benefits being held at Wozniak's for seriously injured Rudy Udritz and although Rudy was unable to attend, the thoughts and prayers of the overflow crowd were with him. A job well done by Sgt. Ken Brooks, Rod. Jerry Mazzera and all the officers involved in the planning, arranging, collecting and notifying for the party. I'm sure Rudy's family felt the love shown for Rudy by all those in attendance. "Right at 80" was a rousing success and again we were blessed with perfect weather. Many animals had to be fed for a good cause—gluttony! A welcome back party was held for Commander Robert Jones. All in attendance were glad to see he looks fit, healthy. One sad note was the severe finger injury suffered by "smilin" Al Marino. Al says he'll be back next year wearing iron gloves. Final softball notes: Thanks to Sgt. Gerry Gregg and P.O. Lou Amari for their help in obtaining our sponsors, Elliot's Tavern and Color Communications, for without them our season would not have been as successful. One other thing, how come we play so good during the season but during the playoffs we go straight in the "dumpers"? No, Dennis, it can't be all the coaches' fault! Good luck to newly retired John Kawa who was our Abandoned Auto Man in 011... P.O. Bill Grannes

012: We extend the welcome mat to new Commander Thomas P. Kelly, formerly of the Traffic Division, and wish the best of luck to Commander Clement Robles on his move one district south to 010. Hello, Lt. Bischoff! Didn't anyone at Scoll kill crows argue with construction workers? You never know what an angry one might do! Especially if that worker is not a mall! Two of our fine officers have made that lung task down the aisle of wretched Mel's. Joe Riccelli took himself a new bride and Steve Bubacz exchanged vows with Diana Lozerno... P.O. Diane Wright is a proud grandma with the birth of grandson Anthony. Augie and Michelle Annerino are painting the nursery pink for Dana Marie,atables Mr. and Mrs. Joe Adlesick for their daughter. Dad Tony Mannina was busy taking the sargen's exam while mom Georgette Garcia, Dad, and Sue. Is it true that the deputies in 10th District P.O. Rich McPencow is superstitious? Especially when his name is mentioned in the Police Star? Rich, where did you say you worked?... P.O. Janet McCarthy

013: Congratulations to P.O's Patrick Battaglia and Michael Mazur on being award- ing Dept. Commendations. We're all proud of you... Congratulations also to P.O. Tom Ward whose wife gave birth to twin boys. Lots of luck baby-sitting... We at 013 congratulate the following officers recently promoted to patrol specialists: Thomas Ward, Robert Kero, Angelo Rodriguez, Fred Martinez and Michael Mazur. Congratulations to new suspects: Kenneth Blake, Gayle Brenner, Carl Cueras, Cornelio Cruz, Otho McCoy, David Mendez, Luis Munoz, Nicholas Ortega, Margaret Pena, George Rosario and Martin Sennormichele. Hope

I know I stand for all when I say we'll miss you! Sgt. Frank Fagan was selected by the Academic Selection Committee for a nine-month course at the Northwestern Traffic Institute. Good luck! A Dept. Commendation was awarded to Lt. G.S. Harris. Also, Dept. Commendations were presented to Capt. Jim Spicer and P.O.'s John Renda and John Floyd Apei, of Neighborhood Relations. I can't say enough about our Neighborhood Relations staff whose members take the time and effort to help everyone in the community and try to make them all happy. They are a great asset and we are proud of them! We welcomed a few: Capt. Jim Moss and P.O.'s Mark Stres- ke, Fred Spazano, Ray Battilo, Marty Murray, Don Keil, Vieve Rini, Frank Cor- giat, Ray Stumpnick, Bob Ustasewski, Ed Hansen, Tom Harder, Ray Eichner, Frank Przyborowski and Tom Desdy. ...
Area 2 Administrations: Congratulations and good luck to all those who took the sergeant's exam and passed! (How about it, Al Wolf?) Also, congrats to all of the career service employees over the age of 35 who dared to take the police officer's exam. Welcome back to Sgt. Hoke who transferred from Area 2 Violent Crimes to CIU to Area 2 Property Crimes in one month's time. Sgt. Bernt, Area 2 P.C., a personal welcome back from the Summer Mobile Force Details. McGrorty, V.C., who recently retired. And welcome back to Sgt. Dooley who returned from his three-month furlough. Adios to Sgt. Daughterty, P.C., transferred to 006; to Sgt. Lesniak, P.C., to Detective Division Administration; and to Sgt. Thompson, P.C., to Area 1 V.C. The way people keep running and going out of this place, I wonder if something is wrong here? Welcome to Det. Cannon, assigned to P.C. from GIU. P.C. Rodish, Call-Back Unit, coaches the baseball team "Eastside Baseball Warriors" who won second place in the National Amateur Baseball Federation, Sophomore Division in Plymouth, Michigan. He is pleased to see Det. Cliff Prigram out of the hospital. Our desk Officer Raymond Labuda is a very fine boss, Capt. Garber, also Sgt.s McHugh, Grant, Harte, DiMaggio, Schillen and Reyes. Congratulations and good-bye to Sgt. Greenlee who did an outstanding job while on days. For those of you who don't know who they are, they're the ones wearing sun-glasses in the office. Sgt.s Grant worked mid-shift at Area 2 Youth in 1974 and now living in Mission Viejo, California. Joe, an avid golfer, recently came in first place two times and in third once in field trials. Can't tell what different style of golfing he's using. He's lost 35 pounds and is 11 feet long. Nice work, Rich, I knew the stretching would work.. Another fisherman's story: Bill Disselhorst's son David went fishing in Canada and caught a two-pound, eight-ounce muskie. I think David should use that stretching rack. Here's a first--Jerry Bogucki and Ray Schalk on days! For those of you who don't know who they are, they're the ones wearing sun-glasses in the office.
